

2022 WINTER – AGAPE JR FLEX SINGLES LEAGUE

Purpose:

The purpose of the Junior Singles League is to create an opportunity for children (boys & girls) to participate in singles matches. For convenience, **all matches will be played at Dekalb Tennis Center.**

How it works:

Participants receive match schedule. All players are guaranteed at least four matches and will be provided in advance with players' names, contact phone numbers, email addresses and their opponent for each week's match. Divisions may consist of boys only, girls only or mixed. It all depends on registrations.

Players are grouped into different divisions according to playing level.

- Green division (green dot ball, full court). **This division plays 8 game pro-set, with 7-point tie-breaker at 8 (No Ad Scoring).**
- Orange division (orange ball, 60ft. court). **This division plays 8 game pro-set, with 7-point tie-breaker at 8 (No Ad Scoring).**
- Yellow division (regular ball, full court). **This division plays 8 game pro-set, with 7-point tie-breaker at 8 (No Ad Scoring).**

Players or parents must contact their opponent for each week's match and play within the 7 day period. Once you have decided on which day, please email annie@agapetennisacademy.com your court request. Matches cancelled due to inclement weather can be made up any time during the regular calendar season as long as it is agreed upon by both players. Forfeits should be avoided as much as possible, since the whole point of the league is to gain match play experience. Play begins on Monday of each week. All matches must be completed by Sunday at 6pm per league schedule. **Upon completion of each match the winning player is responsible for posting scores in the pro shop.**

Scoring:

The top two finishers will be awarded by most winning percentage. If there is a tie, then number of games won will decide the final two. The top two finishers in each division will meet in a championship match on "Finals Day". Finals day will be held at Dekalb Tennis Center on the date TBD. Prizes will be awarded to both the champion and the finalist in each division.
